Introduction

BMPE –Butcher Meat Process Equipment

BMPE is the leading supplier of superior quality New and Refurbished food processing equipment to the African market. Our primary focus is to provide a professional service to the food industry with regards to Equipment, Spares and the latest Technological innovation.

With more than 30 years hands-on experience, we can provide our customers with an excellent service in all areas of the meat processing industry and have over the years achieved a good reputation for being efficient, cost-effective and professional.

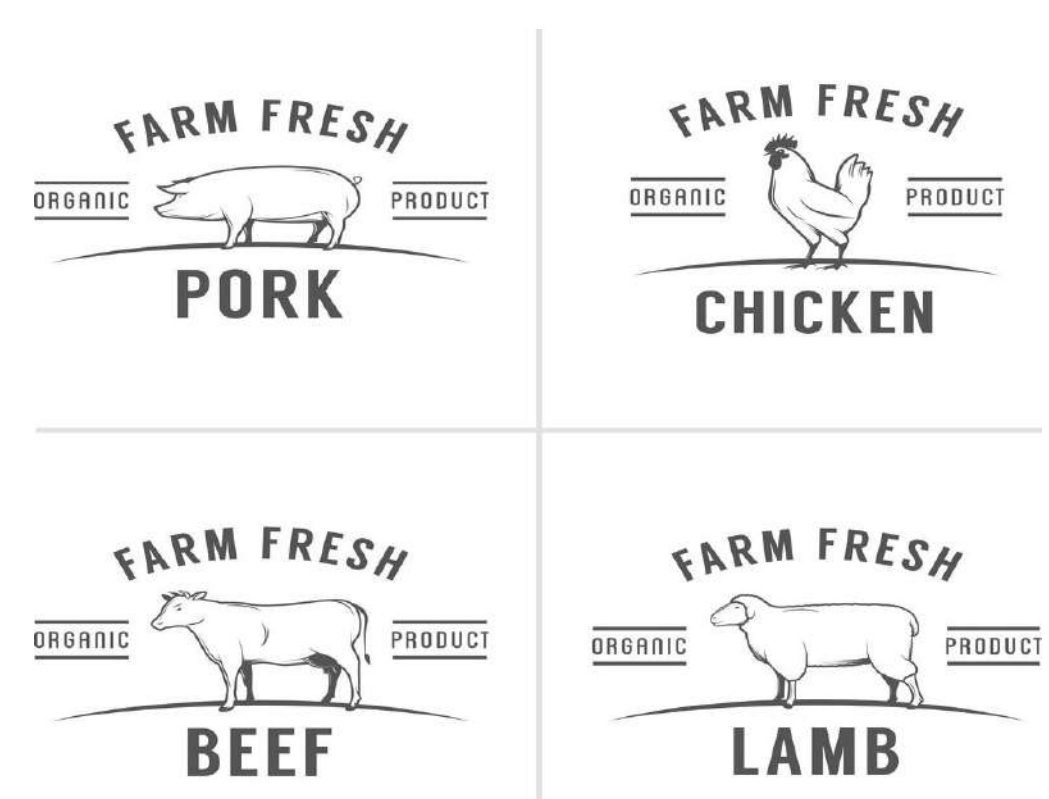

We import machines for our local clients across the whole of Africa, ensuring that they benefit from machines of the highest quality at an excellent price.

Our staff have extensive knowledge of current Machines, Technologies and Consumables and we also provide a modern Service and Maintenance Department to support our customers throughout the process.

We service a diverse range of customers, from Large & Small Butcheries to Abattoirs, Supermarket Groups, Franchise Outlets and Corporates.

Founded By

BMPE was founded by Olaf Blömker and was built on his experience in the Meat Processing Industry. Olaf has 30 years' experience – including Deboning, Meat processing, Recipe formulation, Technological information, Production flow and Legal understanding surrounding the business.
